Dear Valued Partners,

We are excited to announce the official launch of our Vendor Registration Portal, designed to streamline and simplify the onboarding process for all current and prospective vendors. This new portal allows vendors to register and update company information online.

The vendor portal will be open for registration from today (02nd October 2025) and will remain open without a closing date.

We encourage all interested vendors to visit the portal and complete the registration process to be considered for upcoming business opportunities.
